

29 August 1947

MEMORANDUM TO: Chief, Personnel Division  
SUBJECT: National Security Act of 1947, Section 303

It is requested that your office furnish the undersigned with the following information.

Section 303 of the stated Act authorizes the Director of Central Intelligence to hire such part-time advisory personnel as he deems necessary and states further the rate of compensation for their services. It also states that persons holding offices and positions under the United States for which they receive compensation may not be further compensated by this organization when utilized by us in an advisory capacity. We are desirous of knowing whether this latter qualification precludes the payment of retired Naval or Military officers whom we may be desirous of employing as part-time consultants or as advisory personnel.
